We Challenge You!

The Central Ohio ASSE Chapter plans to donate \$100 to the ASSE Foundation with the interest of furthering and fostering development in the Society. Amy Stewart will present the check on behalf of our Chapter at the National Professional Development Conference (PDC) this summer.

*This is a challenge to all Chapter members or their employers
to match the \$100 donation on behalf of our Chapter.*

Even if you are unable to match the \$100 gift, any size donation is encouraged. Your tax-deductible checks should be made out to ASSE Foundation. Donations must be made by the May meeting for them to be presented at the Professional Development Conference.

What is the ASSE Foundation?

ASSE Foundation Mission Statement :

"To promote the advancement of the safety, health, and environmental professions engaged in protecting people, property, and the environment by providing the necessary resources."

The Foundation currently supports these initiatives:

- **Fostering Future Safety and Health Professionals**
Award scholarships, internships and fellowships to students and faculty pursuing safety and health studies in accredited college and university degree programs.
- **Conducting Applied Safety Research**
Support safety and health research initiatives and publish findings that advance accident and illness prevention.
- **Expanding Accreditation of Safety and Health Curriculums**
Provide funding and direction to colleges and universities with safety degree programs seeking ASSE/ABET accreditation.
