Chapter Membership Challenge

Anniekay Erby, Manager, Membership Development announced the "ASSE 2010 Chapter Membership Challenge", which is an opportunity to expand our normal chapter membership recruitment efforts and receive some cash for our chapter. This is a great opportunity to reach out to non-member participants in our area that may be on the fence about joining. No time like the present to offer an incentive for them to join and gain those recruitment points needed for the chapter stars.

Details of the Chapter Challenge :

- The challenge will run from February 15, 2010 – March 31, 2010
- Chapters given promo code that will allow them to waive app fee and select a free practice specialty (\$45 savings). **PROMO CODE: I002CHPCHL This promo code should be entered in all applications online or faxed to be included in challenge total.**
- Winning chapters will be chosen based on percentage growth of chapter (small, medium, large)
- Winning chapters (small, medium, large) will each be given \$150 which will be transferred through accounting payment.
- Our Chapter will have the option of placing an "ASSE chapter membership challenge participant" logo on our Web site.
- This will be tied to the current Member Get a Member (MGAM) program at <http://www.asse.org/nosecret/>. If a new member enters the promo code and a sponsor's name, the chapter will receive credit for the challenge and the sponsor will receive credit for MGAM.

ASSE Charter Celebration

Date: March 12, 2010

Time: 6:00 p.m.

Location: Ballroom A (on 4th Floor of Baker Center)

Greetings from the Ohio University American Society of Safety Engineers (ASSE) Student Section!

We are pleased to invite you to join us in the celebration of receiving our American Society of Safety Engineers student section charter. Our Environmental Health and Industrial Hygiene students have been working diligently to become a part of this organization and at the beginning of winter quarter their efforts became a success.

Being a newly formed organization we would like to involve all important personnel that have lead to our success. Whether directly or indirectly, you have helped create and encourage our organization.

To celebrate, we will be holding a meet and greet catered dinner in the new Baker Center to acknowledge the students hard work.

Parking: On weekends all purple and green lots are free!! A map of campus and parking areas is attached.

Please R.S.V.P. by February 18, 2010 to Katelynn Tonn at kt170306@ohio.edu. If after February 18th a \$5.00 charge will be collected and given to the ASSE Foundation!

Once an R.S.V.P. is given, an e-mail with further information will be sent out. We understand that with work and perhaps families it may be hard to get away, but we would very much enjoy having you with us and do hope you can attend.
